Novid[®]

Novi-Comp makes composting easy and affordable:

- Superior design ensures only stainless steel parts come in contact with compost.
- Modular construction allows for flexibility in capacity when operation grows.
- Direct drive system eliminates the need to monitor and adjust chains and belts.
- The Novi-Comp team has decades of composting experience with design, manufacturing and technical expertise.
- Novid Inc. has over 25 years of experience manufacturing high quality stainless steel products and is audited and certified by the Canadian Welding Bureau.
- 3', 4', 5' diameter drum available

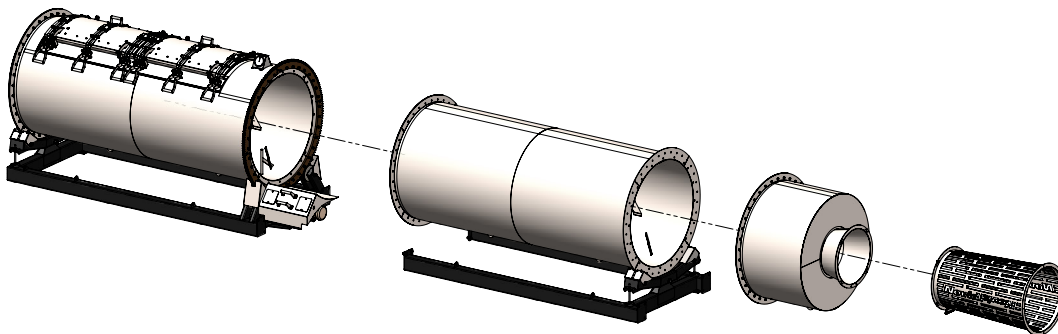

10
YEARS

The only in-vessel composter manufacturer to offer a 10 year warranty against corrosion on its internal drum.

Kills most pathogens commonly associated with livestock disposal
